

# City of Peterborough Proposed Cycling Network Projects

## Legend

- Existing Cycling Routes
- Existing Cycling Routes to be Upgraded

The proposed cycling projects are shown in various colours to help differentiate each project.

Projects 1-36 to be constructed in the short-term horizon (2011 to 2021)

Projects 37-71 to be constructed in the medium-term horizon (2021 to 2031)

Projects 72-92 to be constructed in the long-term horizon (beyond 2031)
